Subject: Annual Report Required, Pinon Ridge Mining LLC, Sage Mine, S/037/0058, San Juan County, Utah

Dear Mr. Glasier:

On February 22, 2016, the Division of Oil, Gas and Mining received a check in the amount of \$150 for the annual permit fee for the Sage Mine, but the Division received no annual report that typically accompanies the annual permit fee. Utah Administrative Code R647-3-117 requires all small mining operators to submit an annual operations and progress report by January 31 of each year, unless waived in writing by the Division. The Division has not waived that requirement for the Sage Mine.

Please complete and submit an annual progress report form by April 15, 2016. A blank form is enclosed with this letter. If you have any questions or concerns, please contact the permit lead, Mike Bradley, at 801-538-5332, or me at 801-538-5261.

Sincerely,

Paul Baker
Minerals Program Manager
